Following search warrant execution

Elba man arrested last week on drug charges

The execution of a search warrant last week in Elba residence led to the arrest of one individual on multiple drug charges.

Coffee County Sheriff's Office Chief Deputy R.W. Whitworth said investigators with the Sheriff's Office were assisted by the State Bureau of Investigations (SBI) and the Houston County Sheriff's Office on Thursday, May 10, in executing a search warrant in the 300 block of Tucker Avenue and the 1200 block

Charles Carpenter

of Martin Luther King Drive in Elba. During the search, Chief Whitworth said cocaine, marijuana, pills, guns, and cash were recovered.

Charles Mandrel Carpenter, age 33, of Elba was taken into custody and charged with possession of a controlled substance and possession of marijuana - second degree. Carpenter was transported to the Coffee County Jail following his arrest.

Chief Whitworth said this matter remains under investigation.

Elba BOE votes to rehire several teachers

by Linda Hodge, Editor

The Elba Board of Education met Monday evening, May 14, for its regular monthly meeting, and board members approved several personnel matters during the meeting.

The board filled a vacant spot at the elementary school with voting to hire Kelly Gaskins as a special education teacher. Superintendent Chris Moseley said Gaskins currently is in Tennessee, but she originally is from Enterprise. He said her husband is in the military and the family is coming back to the area.

Rehires recommended and approved for the elementary school included Kelly Wilson, a third grade teacher; Brooke Weeks, a kindergarten teacher; Sara Mitchell, an aide for the Pre-K program; and Kenya Martin, counselor for the elementary school [tenure year].

The high school also will see several teachers returning as the board voted upon recommendation to rehire Melissa Mularz, high school aide; Seth Wilcox, welding instructor;

The Elba Board of Education members voted DeAnn Grantham (left) as board president and Greg Sowell (right) as board vice president for the next year during their monthly meeting Monday evening, May 14th.

Margarita Jimenez, CNP worker; Anna Marie Moore, history teacher [tenure year]; Shaun Hammonds, band instructor; Kristen Burtram, high school nurse; Amanda Martin, English teacher; and Pate Harrison, physical education and football coach.

The board approved the non-renewal of Kevin

Bond as high school science teacher. The superintendent explained that Bond needs to take and pass one final test to become certified as a science teacher, and he would be taking this test in early June.

Moseley said Bond is encouraged to re-apply for the position after he passes that test. He said that would put him in better position to eventually receive tenure as a science teacher, if applicable. He added that Bond was fully aware of the reasoning behind this move, and is anticipated to re-apply for the position once he passes that certification

The cost to participate is \$40 [\$5.00 registration fee and 35.00 for the program], and it is open to K-9th grade students. Contact Elba Elementary School for more information.

Elba Police Chief Freddy Hanchey submits retirement letter

by Ferrin Cox, Publisher

Elba Police Chief Freddy

Hanchey is winding up some 40 years of service with the Elba Police Department at the end of June when his retirement becomes official.

Hanchey's signed resignation letter officially was presented to the Elba City Council during its meeting Monday night, May 14, of this week.

Hanchey began with the Elba department as a Reserve Officer in February of 1978 and became a full time officer in November of the same year.

His letter opened with, "After much thought and consideration I have made the difficult decision that it

Chief Freddy Hanchey

is time for this officer to retire from law enforcement duty."

He noted he has had a rewarding career and credited the many people who

have worked with him and also noted his appreciation for each of the city administrations he has worked with during those years.

Hanchey expressed his deep admiration for the many professionals who he has served with saying, "God bless you for your contribution to this community."

He added, "Blessed are the peace makers, for they shall be called the children of God."

Tuesday morning he was thinking back and expressing a special thanks to the citizens of Elba, saying, "It has been an honor and pleasure to serve them and I will be forever grateful."

Elba City Council busy with property issues, ambulance decisions, and grant applications

by Ferrin Cox, Publisher

The Elba City Council members casually took their seats at the Monday, May 14, meeting in what turned into a very long meeting, with an executive session and a bit of confusion over a rezoning issue.

Police Chief Freddy Hanchey reported an increase in activity for the department but positive results from the increased patrolling in the Mulberry Heights area.

Hanchey told council members that the intensified patrolling effort by patrol officers is paying dividends by lowering the gunshot report incidents generated from that area. He said the concerted effort would continue as long as necessary but he did not expect it to last forever.

Assistant City Clerk Pat Boothe reported there is an

upcoming annual inspection of the levee by the Corp of Engineers and will include checking the flood gates to be sure those are functioning as they should.

That is not normally checked by the Corp, but city crews routinely operate the three highway gates, as well as the "flap gates" which go through the levee in several locations.

Boothe also noted that work continues on the splash pad and it is still on target to open by Memorial Day.

An extended discussion took place about the advertised plans to demolish a Simmons Street building (old Sonic facility) as 'unsafe and dangerous'. Owner L. M. Burch addressed the council and asked for more time to get with the financial firm that holds the mortgage and see if he could work out something with them. The council voted to move forward

with their process. The vote to demolish the building in 45 days was approved by the council.

Mayor Mickey Murdock passed out copies of the retirement letter of Police Chief Freddy Hanchey.

Murdock then went into a brief acknowledgement of an investigation into the police department. He said a state agency had questioned several local officers but no information had been given to the City. Chief Hanchey said he had been told the investigation was over but was given no timeline for a report of findings being released. Hanchey said he was told it could be two weeks or two months before a report is issued.

The council went into executive session to discuss a 'contract issue'.

Following that lengthy meeting the council

Before adjourning the meeting, Moseley said he would get with board members on a date for the June board meeting at a later time.

EDITORIAL

BRAINSTORMS

With Ferrin Cox

"I am not the editor of an newspaper, and I shall always try to do right and be good- so that God does not make me one." — Mark Twain

Special Deputy Attorney General Cory Maze has been nominated for Federal Judgeship in the Northern District of Alabama. We don't know who engineered this move, but it is a 'homerun' for the good guys. Having served on a legislative advisory type committee with Cory several years ago our observations of him are not hearsay. He was already making a name for himself at that time. His mild mannered actions, fairness, etc., during those long meetings impressed this country boy and we begin following his career. Cory was once honored for "best presentation of case" before the U. S. Supreme Court, etc. Even though he actually lost the case, legal eagles were impressed with his research and his presentation. He is a cum laude graduate of Georgetown University law school and a downright nice guy. Hopefully becoming a federal judge will not ruin him.

Elba Police Chief Freddy Hanchey has been mumbling for months, and months about "retiring" and this week made it official. He thanked each and every police officer and dispatcher he had ever worked with . . . and thinking about it that has been a bunch in his 40 years! Freddy is also bubbling with gratitude to the city folks for putting up with him all these years and to the people of Elba, who he notes have been extremely kind and helpful to him during his career. We have no clue how he will spend his days beginning in July, but if you are a motorcycle owner, get ready for an invite to zip to Montgomery, Birmingham, Mobile, PC, etc., for a bite to eat . . . or just to feel the sun and wind on your face! Thank you but no thanks, we can't go with you that day because of other obligations — like that promise to Mother some 70+ years ago that if she would stop switching our bare legs with that peach tree limb, we would promise to never, ever get on cousin Royce's or anyone's motorcycle again! Cousin Royce has died but that probably does not negate the promise about the 'anyone's' motorcycle.

Ronnie Walden is one lucky (and happy) man these days. He won that beautiful truck and those two off road vehicles, with that fancy trailer to haul them, not to mention the \$50,000 check this week. Tuesday morning he had already figured out that his ole faithful faded red pick-up had to go, thus making room for the new kid on the block. Ronnie looked longingly at the older truck and commented just how many years he had driven it. Now his son is the proud owner of the older truck. While it is worth less in dollars and cents, son should understand just how hard it was for dad to give up a vehicle he had tooled around for all these years. Being the nice guy we are, Ronnie got an offer that if this new truck and accompanying 'toys' get in his way, we will 'hold' them for a while! Of course we might be embarrassed to take the \$50,000 check. A, then maybe not.

To the Citizens of Coffee County,

I would like to say "Thank You" for allowing me to serve you as your circuit clerk these past 18 years. It has been an honor to serve in this capacity. The judges of this county have been most supportive and their guidance appreciated. Most of all, the clerk's office staff of Elba and Enterprise have been right beside me in running the offices. A big "Thank You" to them for their hard work and loyalty. Effectively, May 31st my retirement will officially begin.

I would also like to take a moment of your time and humbly ask for your support for one of the employees of this office. DeAnn Crank will be running for the position of Circuit Clerk in the Republican Primary on June 5th. Please join me to elect her as the next Circuit Clerk of Coffee County.

Thank you very much,
Mickey Counts

ELBA CHURCH OF CHRIST

Get up! Go be a servant!

Somebody needs you today! "As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith." (Galatians 6:10) Our Lord will not say, "WELL SAID My good and faithful servant. He will say, "WELL DONE My good and faithful servant."

It was in his inaugural address that John F. Kennedy spoke his famous words, "ask not what your country can do for you, ask what you can do for your country." We should follow that idea not only on a national level, but state, city, family... church. We should love others and serve each other.

Volunteer to help at the Elba Food Bank, The Giving Garden, the clothes closet, or other areas in our great community as we serve each other.

"Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself." Mark 12:30-31

We need your help!

** Coveting

The last commandment of the ten, turns our thinking in a new direction. Let's go on in that direction for a while. God want to control our thinking as well as our doing. And really, doesn't our thinking control our

doing? Coveting a neighbor's good looks or popularity or influence can be a potential cause of bearing false witness against him, can't it? Coveting his wife can lead to adultery, coveting his wealth can lead to stealing, and all these coveting can lead to murder. Let's turn to the New Testament for more about this. One who hates his brother is - a murderer at heart (1 John 3:15). One who lusts is an adulterer at heart (Matthew 5:27, 28). So let's turn our hearts away from ourselves. Let's love ourselves less, love our neighbors more, and love God most of all.

We took both Mom's in the Mularz Family out for dinner over the weekend and our little grandson Lawson told his Mom to go first when she headed out the door and also let her get in the car first. We later found out that the real reason for the acts of kindness was so he could sneak in his hand-held video game, but at least he did know that on Mother's Day his Mom did get to go first, for once.

For what it is worth....

***** The Elba Lady Tigers closed the season with a 14-14 record last week** after going 2-2 at the South Region tournament, in Gulf Shores. The Lady Tigers only two losses were to eventual tournament champion J.U. Blacksher and (37-7) Leroy, and the Elba actually upset Leroy in the opening game of the tourney to send the pre-tourney favorites into the losers bracket. Elba had won a total of only six games the previous three years in softball and the sport was almost given up for dead. However, this year's Lady Tigers pumped new life into the sport and left their name in the record book. Good job!

***** The Elba Tigers hosted a spring football game last week against Samson** and gave their fans a preview of things to come with a big 36-12 win. The Elba offense rolled up over 500 yards, led by Richmon Singletary with 232 yards rushing, 38 yards receiving and four total touchdowns, while Collin Harrison gained almost 100 yards and added an 80-yard td dash. It was easy to see that the Elba offense still has speed to burn, and has just as much depth as ever! Over on defense, the Tigers gave up some yards and got burned for 160 yards in the air, but had some big hits and should be okay once the players learn the new zone look installed during spring drills. I know you can't really tell how good a team will be just by watching a spring football game, but from my seat up in the pressbox the Tigers looked just as good as ever.

***** Three area teams joined Elba down at Gulf Shores last week at the South Region softball tournament**, with Brantley earning the right to advance to this week's state tourney. The Lady Bulldogs outscored their opponents by a combined score of 46-0 and allowed only two hits in three games, and made it clear that they are determined to claim their fourth state title in the past five years. Kinston won two games to place fourth in the 1A division, and with the youth on the team can use the experience gained as a tool to help make the team even better next season. Zion Chapel posted one win in the 2A division before being ousted, but let everyone in attendance know that the girls from up at Zion Chapel play hard in every game they play, and also gained valuable experience.

***** In closing....** the weatherman says we have a wet week ahead, and after three weeks of hot and sunny days I don't think anyone will complain. Maybe the cooler weather will get the local fishermen back out on the banks and in their boats, and of course the best spot to fish is at the Coffee County Lake. See'ya there!

Kinston Lady Bulldogs post two wins at South Region

The Kinston Lady Bulldogs competed at the South Region softball tournament last weekend in the Class 1A division and posted two wins and two losses to place fourth in the eight-team event and ended the season with a 21-15 record.

The Lady Bulldogs opened tournament action against Highland Home and posted a hard fought 3-0 win. Courtney Lunsford tossed a one-hitter with seven strikeouts to spark the win, while Kinston scored all three runs in the fifth inning to pull out the win. Kelsey Cardwell and Abbi Smith had back-to-back bunt singles to ignite the fifth inning rally, while Baylee Holley ripped a two-run triple and later scored on a sacrifice fly off the bat of faith Peters as the Lady Bulldogs claimed the win.

The Lady Bulldogs battled for all seven innings in a second round 9-6 loss to Sweet Water. Baylee Holley had 3 hits with a double and an rbi to lead Kinston at the plate, while

Faith Peters, Mackenzie Chamblee and Sara Long all added 2 hits, with Peters belting a home run and Chamblee adding a double and an rbi. Cadence Elmore added a two-run single and Jade Elmore added a double.

The Lady Bulldogs stayed alive with a solid 12-1 win over Millry. Courtney Lunsford tossed a two-hitter with 10 strikeouts to get the win inside the circle, while at the plate Sara Long had 3 hits, including a double and an rbi; and, Faith Peters added 2 hits with 3 rbi's.

The Lady Bulldogs fell behind 8-2 early and saw a gallant rally fall short in a 10-7 loss to Pleasant Home, in an elimination contest. Baylee Holley and Mackenzie Chamblee both had 3 hits and knocked in 1 run to lead Kinston at the plate, while Jade Elmore had a two-run inside the park home run; Sarah Long added a triple and an rbi; and, Cadence Elmore added two singles.

Lady Tigers reach 'Final Four'

The Elba Lady Tigers posted two wins and two losses last week at the A.H.S.A.A. South Region softball tournament to place fourth in the Class 2A division of the 52-team event that included competition in seven classifications.

Following are highlights of the tournament action:

Elba 2 Leroy 1

The Lady Tigers pulled ahead early and held on late to shock sixth-ranked Leroy 2-1, in opening round play on Thursday afternoon.

McKenzie Hooks singled with two outs in the top of the first inning to spark the early Elba uprising, raced to third on a double by Mckenlie Jerkins, and crossed the plate on an rbi single by A'Maysia Whitfield to put the Lady Tigers on top 1-0.

The Elba lead went to 2-0 in the third when Sandra Lindsey led off the inning with a single, promptly stole second and third, and then scored after getting in a rundown between third base and home.

Leroy cut the lead to 2-1 in the bottom of the fourth inning on a solo home run, but Elba pitcher Mckenlie Jerkins and the stingy Lady Tiger defense allowed only two base runners over the rest of the game as Elba held on for the shocking 2-1 win.

A'Maysia Whitfield had 2 hits and knocked in 1 run to lead Elba at the plate, while Sandra Lindsey and McKenzie Hooks both added 1 hit and scored 1 run, and Mckenlie Jerkins, Alyssa Kyles and Kayla Seay all added 1 hit. Mckenlie Jerkin was the winning pitcher as she allowed one run on four hits with five strikeouts.

Blacksher 15 Elba 1

The Lady Tigers met eventual tournament champion J.U. Blacksher in second round action and struggled both at the plate and in the field in a disappointing 15-1 loss, on Thursday afternoon.

The Elba defense committed three errors in the top of the first inning to

The Lady Rebels ran into Geneva County in second round play and suffered a 12-2 loss. Jaylyn Baker had 1 hit, scored 1 run and had 1 rbi to lead Zion Chapel at the plate, while Addie Killingsworth, Ivey Amlong, Hailey Grant, Kerry Hussey and Hannah Arnold all added 1 hit.

The Lady Rebels were ousted from the tourney with a 9-4 loss to Leroy, in a game in which the Zion Chapel defense committed nine errors. Ivey Amlong and Addie Killingsworth both had 1 hit and scored 1 run to lead Zion Chapel at the plate, while Hannah Arnold and Lexy Rugg both scored 1 run.

allow Blacksher to grab a quick 3-0 lead, and while the Lady Tigers did cut the lead to 3-1 in the bottom of the inning when Sandra Lindsey singled and stole her way around the bases, Elba managed only one more hit the remainder of the game and allowed 10 unearned runs to allow Blacksher to pull away and claim the 15-1 win.

Sandra Lindsey had 2 hits, scored 1 run and stole 3 bases to lead Elba at the plate, while Mckenlie Jerkins was tagged with the loss inside the circle despite allowing only two earned runs on six hits and recording six strikeouts.

Elba 9 Washington Co. 5

The Lady Tigers used a seven-run explosion in the fourth inning to grab the lead and turned back a late rally to outscore Washington County 9-5, in elimination play on Friday morning.

Elba allowed an unearned run in the first inning and still trailed 1-0 heading into the top of the fourth, but came to life at the plate in the inning and plated seven runs to grab a big 7-1 advantage.

Leadoff singles by Mckenlie Jerkins and A'Maysia Whitfield ignited

the Lady Tiger rally, while Kayla Seay delivered a key two-run double to put Elba on top, and Praise Edwards, Sandra Lindsey and Kira Starks all followed with rbi doubles as the Lady Tigers grabbed a 7-1 lead.

Washington County cut the lead to 7-3 in the bottom of the frame, but the Lady Tigers added two insurance runs in the sixth to push the lead to 9-3. A two-out single by Kira Starks was a key hit in the late rally, while McKenzie Hooks added a single, and after a walk to Mckenlie Jerkins, A'Maysia Whitfield delivered a two-run single to give Elba a little breathing room.

Washington County added two runs in its final two trips to the plate, but leftfielder Sandra Lindsey threw out a runner at the plate in the sixth to kill a rally, and Mckenlie Jerkins fanned two batters in the seventh as the Lady Tigers stayed alive with the 9-5 win.

Kira Starks had 3 hits and scored 2 runs to lead Elba at the plate, while McKenzie Hooks added 3 hits and scored 1 run; A'Maysia Whitfield and Praise Edwards both added 2 hits, scored 1 run and drove in 2 runs; Kayla Seay

added 1 hit, scored 1 run and drove in 2 runs; Sandra Lindsey and Mckenlie Jerkins both added 1 hit and scored 1 run; and, Mone Martin scored 1 run. Mckenlie Jerkin was the winning pitcher as she tossed a four-hitter and allowed two earned runs, while recording six strikeouts.

Leroy 14 Elba 0

The Lady Tigers ran out of gas Friday afternoon in a rematch against Leroy as they managed only three hits and failed to get on the scoreboard in a 14-0 loss.

Elba trailed only 4-0 heading into the top of the fourth inning and promptly put runners on second and third with only one out after a walk to Mckenlie Jerkins and a double by A'Maysia Whitfield. The Lady Tigers stranded both runners; however, and then watched as Leroy scored 10 runs in the fifth inning to eliminate Elba.

Sandra Lindsey, A'Maysia Whitfield and Praise Edwards all had one hit to lead Elba at the plate, while Mckenlie Jerkins was saddled with the loss inside the circle as she allowed eight earned runs on ten hits and recorded two strikeouts.

Tigers run past Samson 36-12

By Ricky Mularz, Sports Editor

The Elba Tigers hosted the Samson Tigers last Friday night in spring football action and rolled up over 500 yards in total offense in an impressive 36-12 win.

Elba began its first offensive series at its own 40-yardline after a pass interception by Keyonta Fitzpatrick, and went 60 yards in only five plays to get on the scoreboard. An apparent 38-yard touchdown run by Seth Ware was wiped out by a penalty flag, but it only delayed the games first touchdown as four plays later Richmon Singletary scored on a 6-yard dash up the middle. Singletary also ran in the two-point conversion as the Tigers went on top 8-0 with 7:05 left in the opening quarter.

Samson responded to the early Elba score on its ensuing possession as it went 80 yards in 15 plays to pull within 8-6 with 2:19 remaining in the quarter. However, Elba needed only three plays to answer the Samson score, as Richmon Singletary broke loose around the right end and raced 75 yards down the sidelines for Elba's second score of the first quarter. A two-point pass missed its target, but with 25-seconds left in the quarter the Tigers were on top 14-6.

Elba put the ball in play at its own 20-yardline midway through the second quarter after a series of punts, and once again struck quickly as Richmon Singletary took a handoff, dodged a Samson defender at the line of scrimmage and weaved his way 80 yards for his third touchdown of the night. A two-point try again failed to produce points, but with 5:13 left in the second quarter the Tigers lead was up to 22-6.

Samson recovered a Tiger fumble at the Elba 37-yardline late in the half, and cashed in the turnover to pull within 22-12 only seconds before halftime.

Elba put the ball in play at its own 20-yardline to begin the second half and wasted no time regaining command as on the second play from scrimmage Collin Harrison took a pitch-out, reached the sidelines, and raced 80 yards for a Tiger touchdown. A two-point run failed to reach the endzone. However, with 11:20 left in the third quarter Elba had extended its lead to 28-12.

Neither team was able to find its way to the endzone on the game's next three offensive series, with Elba winding up with the ball at its own 23-yardline with

Elba Tiger Richmon Singletary (5) eyes running room after fiding a hole in the Samson defense. Singletary gained 232 yards rushing, added 38 yards receiving and scored a total of four touchdowns in last week's 36-12 spring football win over Samson.

three minutes left in the final quarter of varsity action. The Tigers were determined to beat the clock, and did just that as they covered the 77 yards in seven plays to score the final points of the game.

A 34-yard scamper by Nathan James sparked the late Tiger touchdown drive, while Elba quarterback Byron Johnson connected on three of four passes for 45 yards, including a 29-yard td toss to Richmon Singletary. Johnson ran in the two-point conversion, and with 44-seconds left on the clock the Tigers had put the finishing touches on the 36-12 win.

The Elba Tiger junior varsity played the game's final quarter, and while it failed to score, Byron Burks had a 63-yard scoring dash nullified by a penalty flag, J.T. Coleman gained 50 yards on three carries, Dylan Caldwell gained 14 yards on one carry, Carson Wise gained 8 yards on two carries, and Peyton Mc Cart had an interception.

Richmon Singletary gained 232 yards on 10 carries and scored 3 touchdowns, and also pulled in two passes for 38 yards and one touchdown to spark the Elba offense, while Collin Harrison rushed for 92 yards and one td on four carries. Byron Johnson completed 6 of 9 passes for 104 yards and one td.

approved adjustments on the emergency medical services contracts, to align with those approved by the county commission earlier in the day. This will assign some area of service to Haynes Ambulance.

The council approved a motion to declare the old school superintendent's office (Head Start facility) as surplus and sell it. A legal notice appears in The Elba Clipper this week and next week announcing that move. The notice urges anyone interested in purchasing

the building to contact City Hall prior to the next council meeting.

Murdock said ALDOT had turned down the proposal to construct a sidewalk all the way from the area of the Dairy Queen to the shopping center on the 203 Bypass. He said they did say they would consider a sidewalk from the DQ up to the bypass.

Crossing the 4-lane bypass with a sidewalk was considered too dangerous, according to information given the mayor.

The revised plan will cut the total cost from \$701,955 to \$548,005. Elba's portion will drop from \$168,231 to \$134,721.

A rezoning along Airport Road was tabled after it was discovered that only one parcel had been in the legal notice proposing the change. The Zoning Board had approved a much larger area, but council members were informed by the City Attorney that they needed to start over with a corrected description that was not spot zoning.

The city is also moving forward with an application for a grant to improve the facilities at Hawkins Williams Park. This is a U.S. Conservation Department grant that is administered by ADECA.

The Springs to perform at Elba's 'Let Freedom Ring' event

The Elba Chamber of Commerce already is working on plans for this year's "Let Freedom Ring" event, which is held July 4th in Elba.

The event will be on the square in Elba as in past years and will conclude with an amazing fireworks

display. The event will be from 6:30 - 9 p.m. with the fireworks beginning around 9 p.m.

This year, Nashville recording artists The Springs will be in concert at the July 4th Let Freedom Ring event.

The Springs are original-

ly from Alabama, but are now touring out of Nashville Tennessee. This duo first met while both were performing at the World-Famous Bluebird Café in Nashville.

Male singer Stewart Halcomb, from Enterprise, not only had been in one of Enterprise High School's National FFA talent winning bands, but by the time he was 18 he had already charted three singles on the main *Music Row Country Chart*.

Holly Helms, from New Market, Alabama, the other half of the duo, who is now Stewart's wife, once made it to the third round of the preliminaries of NBC's *The Voice* TV show.

The Springs' performances are a cross between Jason Aldean to Carrie Underwood to Journey, with some pop and old-time rock & roll thrown in; offering something for everyone, making their shows a

sing-a-long crowd pleasing good time. This amazing duo and their Nashville band, has been blessed to perform their high energy shows with major acts Hunter Hayes, Eric Church, Florida-Georgia Line, Jake Owen, Alan Jackson, Toby Keith, Reba, and many other top country artists.

The Springs latest CD, *Dance With Me*, made its Billboard Country Chart debut at #42, which is unheard of for an artists without a record label. This is just one of the multiple reasons why many in the music industry are saying The Springs are truly the *Next Big Thing in Country Music*.

Elba Chamber director Sandy Bynum encourages everyone to make plans now for Elba to be their July 4th destination for fun! For more information, call Bynum at (334) 897-3125 or email elbachamber@troycable.net

Anna Cait Mathews, a freshman at The University of Alabama Birmingham, recently received notification that she has been awarded an Alabama Division UDC scholarship.

Anna Cait is a graduate of Decatur Heritage Christian Academy in Decatur, Alabama, where she was selected as Decatur Heritage Christian Academy Eagle Ambassador. She was also a member of the National Honor Society and the Key Club.

Her work experience includes three years as cashier and front service clerk at a supermarket.

Volunteer experience includes caring for a special needs child during church service, childcare during service, Kiwanis Pancake Day, Healthy Heritage 5K, DHCA Key Club, secretary, years as camp counselor for Winshape Camps, and Decatur Morgan Hospital

Anna Cait Mathews

labor and delivery volunteer.

Anna Cait's special skills and talents include drawing, water color, embroidery, painting, calligraphy, time organization, running, violin, flower pressing, art journaling, nature journaling, reading and writing.

The UDC first began giving scholarships in 1907 but the scholarship program was not legally established until 1915. At that time scholarships began

being donated to certain schools in memory of or in honor of Confederate soldiers, or in memory of UDC members who had passed away. This was also a way to honor those that were living by donating a scholarship in their honor. The UDC currently has scholarships available at 15 Alabama colleges and universities.

Anna Cait is the daughter of Danny and Harriette Mathews of Decatur, Ala., formerly of Ozark; her brother, Sam Harrison Mathews also recently received a UDC scholarship.

Harriette has been a member of the Gen. Edmond Winchester Rucker 2534 Chapter since 2003. She joined on the record of her Confederate ancestor Jeremiah Thomas Dixon who served honorably in Co. G, 20th Regiment, Georgia Infantry.
